Shareholder Agreement — Summary

Capital Q · illustrative summary of principal founder terms · as of 30 September 2026

SUMMARY FOR DEMONSTRATION ONLY. This is an illustrative summary prepared for the Capital Q product demo. It is not the official instrument, not a certified copy, and not issued by or on behalf of any registry or authority. Placeholders such as `RC-DEMO-000000` stand in for real identifiers. Nothing here is verification.

Parties

Founder	David Nwankwo — Founder & CEO
Co-founder	Captain Zino Mario — Co-founder
Company	Capital Q (`RC-DEMO-000000`)

Principal terms (illustrative)

Shareholding	Ordinary shares and a 1,000,000-share ESOP reserve, as in the Capital Q cap table (illustrative, owner to confirm).
Founder vesting	Illustrative: four years with a one-year cliff, monthly thereafter.
Board	Both founders sit on the board until the seed round. See the board composition note.
Reserved matters	Illustrative: new share issues, changes to share rights, sale of the company, annual budget and borrowing above an agreed limit require both founders' consent.
Transfers	Illustrative: pre-emption on transfer; drag-along and tag-along at a majority threshold to be agreed.
Leaver provisions	Illustrative good-leaver / bad-leaver treatment of unvested shares.
Confidentiality and IP	Founders assign product IP to the company and keep company information confidential.
Pre-seed SAFE	Proposed USD 1,500,000 SAFE converts at the next priced round; investor rights then follow that round's documents.
Governing law	Nigeria (illustrative)
Date of agreement	Not stated — unknown (owner to supply)

What this summary is not

- Not the executed agreement and not a substitute for it; no signature, seal or execution block is reproduced.
- Terms marked illustrative are placeholders for the product demo; the owner confirms the real terms.
